ASM-400

Cash Strapping Machine

Automatic double-cross strapping
with up to 1,500 kg of pressure

The ASM-400 is a fully automatic **cash strapping machine** that ties banknote bundles with simultaneous **double-cross strapping**, leaving no room to remove notes. Strapping is performed under an **adjustable pressure of 500 to 1,500 kg** that ensures firm, tidy bundles for safer storage and transit. Its patented **contactless heating** technology produces no bad odors or smoke, and the pre-compression function makes strapping old notes easier.
