BDM-300

BDM-300

Compact Deposit Machine

Small footprint with flexible safe or cash bag configuration

The BDM-300 is a **compact** cash deposit machine with a reduced footprint, offering wide configuration options — **UL291** safe or 8 mm metal plate, and cash bags of 5,000, 10,000 or 20,000 notes. Its **open design** lets users clear paper jams on their own, without technical assistance. Compatible with the **NDC** application and components certified to ATM standards.

Features

- Compact design with small footprint
- UL291 safe or 8 mm metal plate
- Cash bags of 5K, 10K or 20K notes
- Open design: self-service jam clearing
- Deposit speed of 12 notes per second
- 500-note input per operation
- 200-note escrow and 100-note reject
- Compatible with NDC application
- 7" touch screen
- i3 PC with 8 GB RAM and 128 GB SSD
- 2" thermal receipt printer
- Barcode reader included as standard
